## FOREWORD

— 1140331

Since the Gloucester, Salem, Cumberland and Cape May County Marriage Records were published access has been had to a number of marriage records which we present in this volume.

Many of these records have been furnished by Hon. Charles E. Sheppard, of Bridgeton, Rev. Paul S. Howe, of Cape May, and Mr. Frank H. Stewart, Gloucester County Historian, of Woodbury, and we here express our appreciation to these gentlemen for their courtesy.

To these records we have added marriages abstracted from records of Christ Church, Old Swedes Church, and First Church, of Philadelphia, which we have identified as pertaining to persons from Gloucester, Salem, Cumberland and Cape May Counties; also from the records of the clerk of Camden County in which one or both of the contracting parties is designated as from these counties.

In order to avoid confusion in data prior to 1752, when both the Julian and the Gregorian calenders were in use, we have spelled the month; but in data since 1752 we have, for technical reasons, given the number of the month.

In the marriage licenses published in the Cape May County Marriage Records the name "Stiles" should be "Stites."

SALEM COUNTY  
GENEALOGICAL DATA  
VOL. I

Records Pertaining to Persons Residing in Salem County  
Prior to 1800

Compiled by H. STANLEY CRAIG

"Mr. Craig has abstracted items of genealogical interest from the church records of Salem County, wills, New Jersey Marriages, Publications of the Gen. Soc. of Pennsylvania, Proceedings of the N. J. Historical Society, etc., and has arranged them alphabetically by surname, and then alphabetically by first name. Each item shows the source from which it was quoted. To this is added early passenger lists, giving the name of the boat and date of arrival. The whole work is fully indexed except for names which appear in their proper alphabetical order in the first part. The clever arrangement makes this book a very valuable reference work for searchers in Salem County and is heartily recommended to genealogical libraries."—*New York Genealogical and Biographical Record*.
